

The Golf Ireland Connacht Regional Executive Committee seeks Expressions of Interest from members of affiliated Clubs based in the province of Connacht to assist it in filling the five subcommittees of the region and develop an extended Volunteers Panel to support those subcommittees.

We would like to seek the assistance of Clubs in promoting this process to its membership, by sharing this email to its membership database. Applications will be accepted directly from the interested individuals themselves and they do not require a separate nomination from their Home Club.

Connacht Region Sub-Committees

The following are the areas in which subcommittees are being filled:

WHS Handicapping, Course Rating, Championships, Rules of Golf and Junior Development.

The minimum criteria to be eligible for appointment are as set out in the accompanying Terms of Reference and Volunteer Policy for Golf Ireland. Each of these subcommittees shall have six members inclusive of the Chairperson, who shall be a member of the elected Regional Executive Committee.

Connacht Region Volunteers Panel

Any unsuccessful applicant for a position on a Regional sub-committee will be considered for a position on a volunteer panel in the regional administrative area of their Home Club, should they wish to take up such a position.

In addition, club members can apply to be part of a volunteers panel directly, without having to put their name forward to serve on a regional sub-committee.

It is envisaged that volunteers panels will be required in the same areas as the subcommittees. In the case of the Handicapping and Course Rating, a Lead Handicapping Advisor and Lead Course Rater respectively, will be required for each administrative zone and these shall be members of the respective subcommittees.

Any person considering applying who wishes to have any matter clarified or requires any additional information should contact the Connacht Chairman, Jimmy Duggan by email; dugganjimmy1@gmail.com

Applicants shall clearly state their Name and Home Club and the subcommittee(s) for which they are applying. Applicants are strongly encouraged to provide a short bio of no more than 100 words outlining their skills and experience.

All applications will be circulated to the five members of the Regional Nominations Subcommittee, chaired by the Chairman of the Regional Executive Committee Jimmy Duggan, who shall review and nominate candidates to the Regional Executive Committee for approval.

Applications are to be sent to the Regional Manager Enda Lonergan via email; endalonergan@golfireland.ie
The closing date for the receipt of applications is set down as close of business on Friday 19th February.

Yours truly,

Mr. Enda Lonergan

Regional Manager, Connacht
